Summary

Motivated Web Developer with strong skills in HTML, CSS, JavaScript, and modern UI design. Experienced in building responsive websites, API-based applications, and clean user interfaces. Passionate about learning new technologies, improving user experience, and developing efficient, real-world web solutions.

Skills

Programming
C++, Java, Python(Basic)

Web Development
HTML, CSS, JavaScript, Responsive Web Design, UI/UX Basics

Backend & Database
PHP, MySQL, Basic API Handling

Operating Systems
Linux (Ubuntu, Kali Linux), Windows

Tools & Technologies
Git & GitHub, VSCode, XAMPP / AppServ, Figma(Basic)

Projects

Voxera

- Engineered a secure, full-stack complaint management platform using PHP & MySQL, enabling students to submit issues anonymously while admins and faculty track resolutions in real time.
- Implemented role-based access control with special handling for sensitive complaints and an interactive feed featuring status badges, ensuring privacy, safety, and a smooth, efficient complaint-tracking workflow.

Responsive Portfolio Website with Interactive Linux Terminal

- Developed a highly responsive personal portfolio featuring a custom Linux-style terminal popup, enabling users to interact with commands for a unique browsing experience.
- Applied modern UI/UX principles, smooth animations, and clean layout optimized for mobile, tablet, and desktop screens.

VulnHunt – Cybersecurity Vulnerability Scanner

- Created a beginner-level website vulnerability scanner to identify basic security flaws using simple scanning logic.
- Organized the project with clean folder structure and cybersecurity fundamentals as part of initial learning.

Education

Bachelor of Computer Application (BCA) Expected 2026

Cochin Arts and Science College, Ernakulam.
Affiliated to Mahatma Gandhi University, Kottayam

Cloud computing, Ai, Cybersecurity (ongoing)

Higher Secondary (12th std) 2022-2023

SN Trust Higher Secondary School, Cherthala
Marks: 72%

High School (10th std) 2021

St. Augustine High School, Mararikulam
Marks: 94%

Achievements

- Google Cloud Arcade (Game-Based Learning Badges)
- Google Digital Garage – Fundamentals of Digital Marketing
- TCS iON – Career Edge: Young Professional

Languages

- English   (Fluent)
- Malayalam   (Native)
- Tamil   (Intermediate)
